A Group Sale is NOT a **Private Screening**. If you require more planning time, wish to have a private auditorium, or have your showing during non-business hours, contact a representative about a private screening. Private Screenings require a minimum of 100 tickets to be purchased or a full buyout of an auditorium depending on film, time of day and date. Other charges may apply and more details can be found at [Private Screenings at CorporateBoxOffice.com](http://PrivateScreeningsatCorporateBoxOffice.com). Please note that Group Discounts never apply to Private Screenings.
